**Subject: Recommendation for the Master's Program**

Dear Admissions Officer,

Samtou TAWELESSI successfully completed his Bachelor's degree in Computer Science, Networks, and Telecommunications at our institution, the École Supérieure de Gestion et d'Informatique (ESGIS). As a professor and head of the computer science department, I had the pleasure of following his academic journey and witnessing his unwavering commitment. TAWELESSI is a serious, diligent, and dedicated student, whose work stands out for its rigor and relevance. His sense of responsibility and ability to adapt to challenges have allowed me to assess his real potential for growth in the field of computer science.

Recently, he expressed his desire to join the Master's program at your prestigious institution, the Institut Francophone International (IFI). I am fully aware of the rigorous requirements of your selection process, but I must emphasize that his professional project is solid and well thought out. TAWELESSI demonstrates strong expertise in his field and stands out for his curiosity, creativity, and dynamism. He is an exemplary, determined, and meticulous student.

For all these reasons, I wholeheartedly support his application for the Master's program at the Institut Francophone International.

Of course, I remain available for any further information you may require. Please accept, Dear Admissions Officer, the expression of my highest consideration.
