Dear Admissions Committee,

As a PhD of Applied Mathematics for Computer Science, I am writing to highly recommend Mr. Samtou TAWELESSI for the Master's scholarship at the **International Francophone Institute - Vietnam National University (IFI - VNU)**. Having closely observed his academic journey, I am confident that he possesses the intellectual capacity, dedication, and passion required to excel in this esteemed program.

Mr. Samtou TAWELESSI has consistently demonstrated exceptional academic performance, ranking among the top students in his class, demonstrating a profound understanding of complex concepts and a natural aptitude for learning. His passion for computer science is evident in his proactive approach to exploring new technologies, algorithms, and methodologies. He is not only driven by curiosity, but also by a genuine desire to contribute meaningfully to the field.

Beyond academics, Mr. Samtou TAWELESSI exhibits remarkable personal qualities. He is hardworking, dedicated, and possesses excellent analytical and problem-solving skills. His ability to work both independently and collaboratively sets him apart, showcasing his adaptability and leadership potential. I have no doubt that he will thrive in a rigorous academic environment and make the most of the opportunities provided by International Francophone Institute.

I am confident that the Master's program at IFI-VNU will provide Mr. Samtou TAWELESSI with the ideal platform to further his knowledge and contribute meaningfully to the academic community. His ambition to deepen his expertise in computer science aligns well with the rigorous and dynamic environment offered by IFI-VNU.

Sincerely,

Piriziwè KOBINA, Ph.D.
